

Northern Ireland Fair Rates Campaign

Thanks to Ian Knox & The Irish News for their permission to use the cartoon

IT'S HAPPENING IN NORTHERN IRELAND NOW...

HOME PRICES IN NORTHERN IRELAND HAVE INCREASED
BY 45% SINCE THE RATES VALUATION IN 2005

HOW MUCH WILL YOUR HOME BE WORTH IN 2010 WHEN
THE RATE REVALUATION IS DUE?

WHAT WILL YOU BE PAYING FOR RATES AND WATER THEN?

Think about it, its going to be at least **double** the figure you were told in your 2005 valuation

IT WILL HAPPEN TO YOU NEXT UNLESS YOU ACT NOW
HELP US FIGHT THIS UNFAIR EVER INCREASING TAX
